Forwards Resolution dated 9. 7 53 of the Corporation on the Subject

—

The Corporation at the meeting held on 9-7-1953 has Resolved that the entire land measuring 10,651 Sqr yds adjoining Sri Kanuka Bay's Girls' High School, Compound to the South of the Kutcha drain cut Keller Tank bed ~~on Plan~~ be granted to the said School, free of cost A Sketch of the area proposed to be granted is also sent enclosed

2) This is a well established Educational institution run by Ladies for Girls and has maintained a high Standard in the activities since Several years The School which presently has a Strength of about 300 girls has now on the Rolls 770 girls. To find accommodation for the expanding activities the entire available Space is used to have three Quick ~~Keep~~ upon and the Cattle open ground left for the Sports, and other

physical culture and other outdoor activities

3) As this is a Girls' High School the portion of this adjoining land to any other use would interfere with its privacy. The proposal to grant it to this School appears to be the best way of safeguarding this land as it would not only adequately supply the growing needs of this progressive institution but also ensure the keeping of the place as a good Residential Condition

4) The Resolution of the Corporation is for orders on Commutation as the Edn Secy.

Bonnerjee in giving out in verbatim. This is an added information with fairly heavy structure but it appears to be located in a fairly open-free environment. It has already a lot of living space in the front + on the northern sides. Whether the area proposed is still necessary for this purpose would have to be carefully investigated.

8) Again, I do not find in the letter dated 26 8 53 of the Secretary, K. B. G. Girls School, any specific mention extending the existing buildings to become" better accommodation" as mentioned in the H.C. Commissioner's letter dated 10 8 53. All that the School authorities desire, appears to be more open space for outdoor activities.

9) The area proposed measures 10,650 Sq. Yards and is large and valuable enough to be given away subject to suitable conditions and safeguards. It is therefore eventually decided in favour of a free gift to the institution

10) The matter may usefully be referred to the D.P.O; for remarks / suggestions before a decision is taken by the Govt. on the resolution of the Corporation

D.O No 5795-54 Municipal Branch 15/9/53 29-9-53

I have inspected this School & its Surroundings The Bangalore Corporation deserve our warmest thanks for this generous gesture The institution is doing splendid work & is one of the foremost Educational institutions in the State All the land proposed to be given would be required by the School and I have every confidence that it would be used for Extending the activities of the School

14) If the land now proposed to be given to the School is intended for the purpose of Playground, it would Create Complications for the pupils One chief defect in the City of Bangalore & the Civil Station is that not many Schools have Sufficient playgrounds nor is there Scope for Expansion of School buildings or for any activity connected with it In this view, the offer of the Corporation should be doubly welcome. It seems unnecessary to attach any strings to this generous offer The land may be given to the Management of the School, subject to the one simple condition that it should be used for a bonafide educational purpose & that it should not be alienated

15) Beyond this there is nothing for the D P I to investigate in the matter so long as the title to the land is proved, and the Corporation has the privilege to give it to the School, free of Cost, it is for Govt to issue orders Conveying their approval or otherwise

C M 12-53-18

Subject - Grant of land adjoining Smt Kamala Bai's Girls' High School compound to the south of the kutcha ~~drain~~ drain in Miller Tank Bed, Bangalore, free of cost

---

In enclosing herewitha copy of the resolution of the Corporation passed at their meeting held on 9-7-1953 that the entire land measuring 10651 sq yards adjoining Srimathi Kamala Bai's Girls' High School compound to the south of the kutcha drain in Miller Tank bed as shown in the enclosed sketch be granted to Srimathi Kamala Bai's Girls' High School, free of cost, I request you kindly to obtain sanction of Government to the resolution of the Corporation

It may be stated in this connection that the land asked for by the authorities of the School (as mentioned in the enclosed letter dated 25-8-51 received from the Secretary of the School) is to extend the existing building for better accommodation for out door activites of the School and for providing open ground for physical exercises

Yours faithfully,

(K HENJERAPPA) 10/8
COMMISSIONER.

SRIMATHI KAMALABAI GIRLS HIGH SCHOOL

BANGALORE

No-D8/896/51

25th August 1951

12/9/51 1597/51

To

The Commissioner, Deputy Mayor,
The Corporation of Bangalore,
BANGALORE

Sir,

It is learnt that the tank bed to the North of Srimathi Kamala Bai High School for Girls Bangalore is proposed to be converted into sites and granted to the people In that connection, I wish to bring to your notice that this School which was originally built to cater to the needs of about 300 girls, has now to accommodate more than double that number. The total number of girls in the School is now 770 Three more blocks of buildings have been added to accommodate the Middle School, the Primary School and an uptodate Refectory Very little open space is left vacant There is little or no adequate space for carrying on out-door activities such as sports and girl guiding We give very great encouragement to physical exercises and out-door activities In the field of out-door games and open tournaments, this School has won a distinguished place as has been evidenced by the numerous championship shields, cups and prizes won by the School, year after year This School is an unique institution patronised by all communities both high and low.

No. H156
10 SEP 1951
MUNICIPAL CORPORATION BANGALORE

I am therefore directed by the Trust Board to request that the plot of vacant land to the North of the School between the fence and the storm water channel in the centre of the now defunct tank bed, may be assigned to the School The proposed assignment will not only be of great use to the School but will also greatly help to keep the place in a sanitary condition. Since the vehicular traffic in the Queen's Road has become very heavy and since there is only one opening to the School from the Queen's Road, the pupils coming from the Western and Northern portions of the City have to come round and use this only entrance from Queen's Road facing great risk from the traffic. So, in order to relieve congestion and to avoid daily risk to children, it is requested that the land extending along the channel upto the Miller's Tank Road on one side and Queen's Road on the other be assigned to the School to enable the authorities to give access to the School from the Miller's Tank Road. If by any chance, this plot of land is assigned to private parties, it has to be pointed that it will not only destroy all privacy that is so very necessary for a Girls' School but will also be a source of great disturbance to the working of this School and the view of the School will be spoiled The grant of these lands will enable the Trust Board to supply adequately the growing needs of this progressive institution I enclose herewith a rough sketch showing the plots applied for.

Thanking you,

Yours faithfully,

HON. SECRETARY

Srimathi Kamala Bai Girls' High School
